# INTRODUCTION

Meet **\$WING**, a token backed by the Shiba Wing Ecosystem, the proud owners of the **Shiba Inu logo** and the **Shiba Wings franchise**.

More than a meme coin, \$WING is the cornerstone of our loyalty and rewards programs and the gateway to a universe of exclusive rights, ownership, and franchising opportunities.

\$WING sets a new standard.

**Ticker:** \$WING

**Supply:** 888,888,888

**Network:** Solana (SOL) Network

SHIBA \$WING

# LOGO OWNERSHIP

Proud owners of the **Shiba Inu** logo

Shiba Wings presents a new model, merging restaurant franchises' culinary delight with cryptocurrency's innovative power—all under the iconic Shiba Inu brand. We're not just building a restaurant chain but creating a self-sustaining ecosystem where every transaction fuels growth and value for all token holders, empowered by the beloved Shiba Inu logo.

Imagine a future where every bite of a chicken wing satisfies your taste buds and strengthens a decentralized financial revolution, with the Shiba Inu symbol as a beacon of community and innovation. That's the power of the Shiba Wings Franchise—where ownership of the Shiba Inu Logo enriches both the culinary experience and the blockchain world.

First community-owned Fastfood franchise model.

# OUR PARTNERS

Collaborations with key players like crypto.com, Wallstreet Bets, and PIN Pay It Now enhance brand power and market reach.

# WSB - JAMIE ROGOZINSKI

## Shiba Wings and WallStreetBets: A Revolutionary Partnership

Shiba Wings, an innovative restaurant and cryptocurrency project, has partnered with Jaime Rogozinski, founder of WallStreetBets, to transform the crypto space. This collaboration emphasizes community engagement, education, and trading innovation through joint campaigns and exclusive content, aiming to boost brand recognition and Shiba Wings token adoption. Additionally, Shiba Wings is pursuing global expansion via strategic franchise opportunities, creating a network for experienced operators to access its unique business model and establish a solid real estate portfolio for worldwide growth.

### Shiba Wings

Aims to integrate a high-end fast-food chain with a daily percentile crypto chart buy-back mechanism, making investment accessible and engaging for all investor types. The project uniquely combines real-world utility with blockchain technology.

#### Community Power

Access to millions of engaged traders and crypto enthusiasts through WSB's established network

#### Educational Impact

Joint webinars and content creation to educate users about crypto investment opportunities

#### Market Innovation

Combined expertise in creating novel trading mechanisms and real-world utility

### WallStreetBets

Founded by Jaime Rogozinski in 2012, it has grown to millions of followers, known for high-risk trading strategies and significant market impact. The community has revolutionized retail trading and cryptocurrency adoption.

## When Superhero's Meet RWA Dining at Shiba Wings

This partnership combines storytelling and dining innovation to create immersive crypto-education experiences, utilizing NFTs for exclusive benefits and making blockchain technology more approachable.

### Bad Days by Marvelous TV

An entertainment series featuring superheroes in everyday situations, using NFTs for fan engagement and exclusive content.

### Shiba Wings

A restaurant chain pioneering crypto-dining integration through \$WING tokens and educational initiatives.

### NFT Integration

Exclusive menu items, discounts and VIP experiences for Bad Days NFT holders.

### Cross-Platform Engagement

Character-themed dining experiences with interactive elements

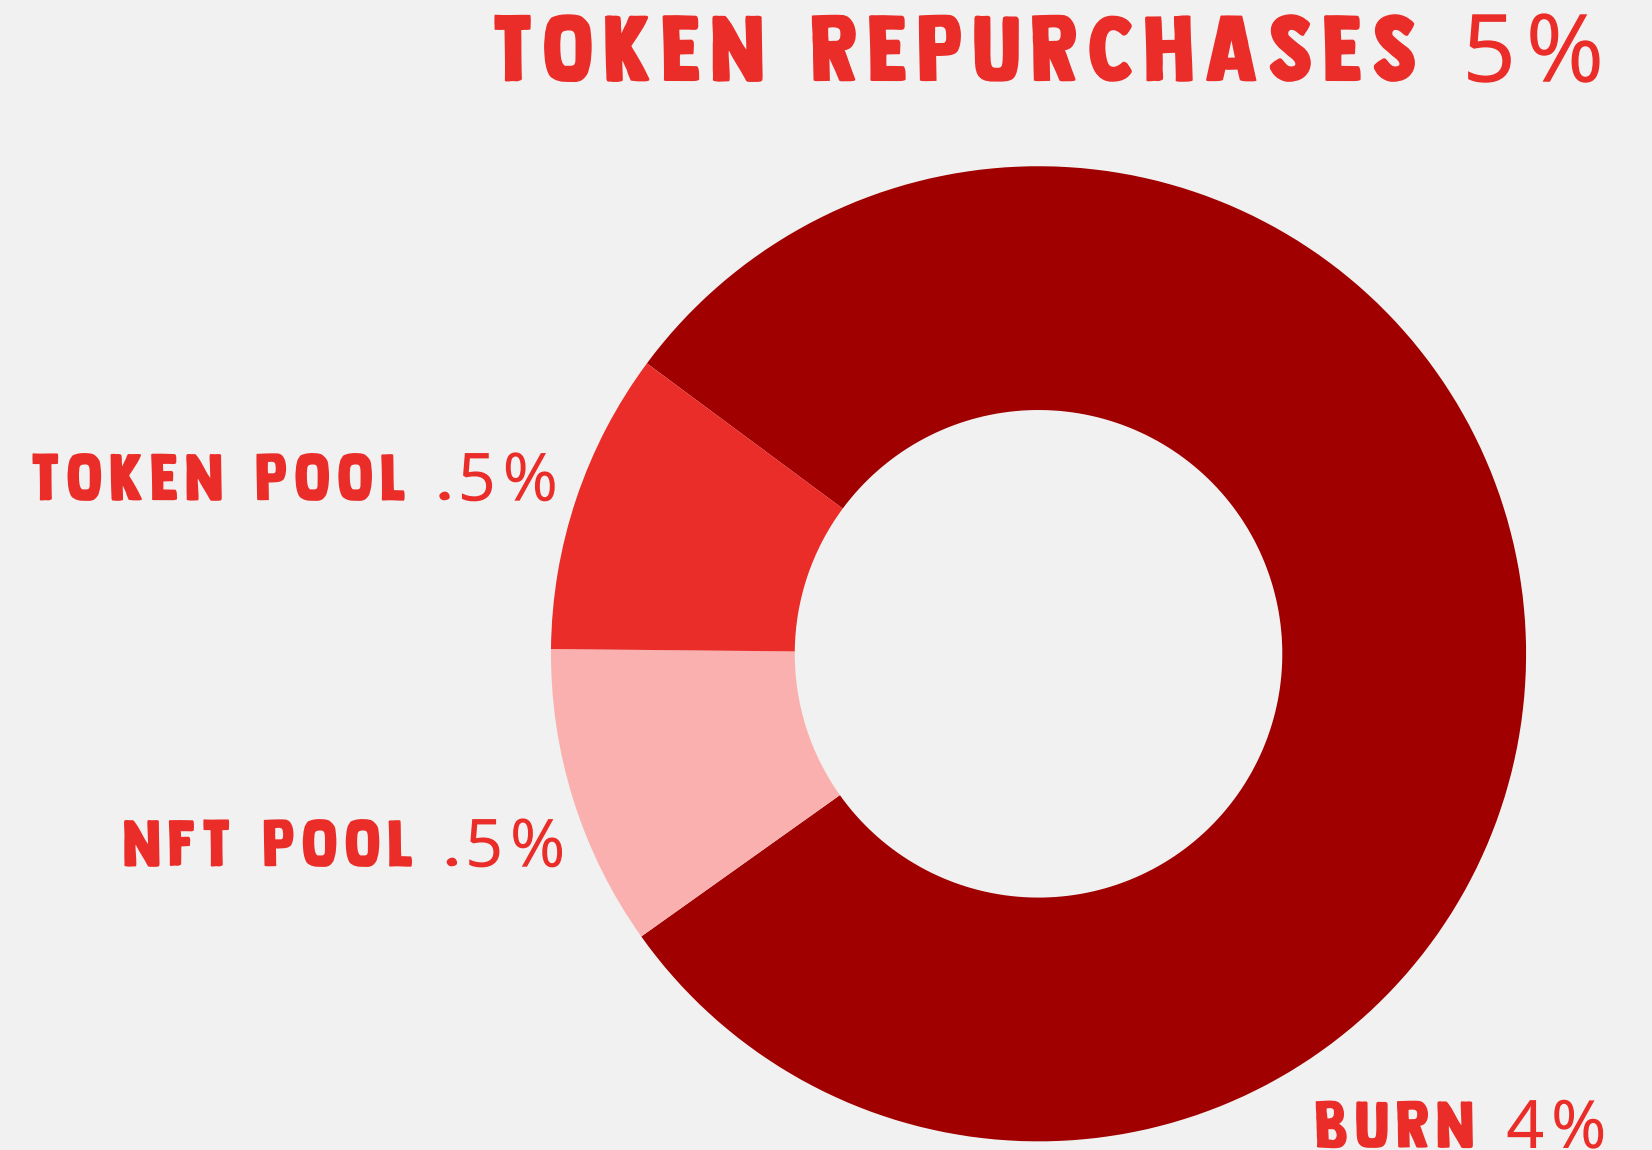

### Crypto Education

Making crypto accessible through entertainment and dining

# TOKENOMICS

5% of the restaurant profits per location at the restaurant goes back to the project :

This goes to token repurchase on the chart. Of that, 4% is burned, .5 % goes to the token pool, and .5% goes to the NFT pool.

# EXCLUSIVE BENEFITS

# KEY INSIGHTS

## COMMUNITY ENGAGEMENT

Foster a vibrant community through NFT ownership and active participation in the \$WING ecosystem.

## GOVERNANCE

Give NFT holders governance rights in Shiba Wing DAO, enabling them to influence key decisions.

## INCENTIVIZED LOYALTY

Offer exclusive benefits and partner discounts to NFT holders, ensuring their continued engagement.

## REDEEMABLE REWARDS

Exchange tokens for discounts, free items, or exclusive experiences.

## GAMIFICATION

Engage customers with token challenges, leaderboard rankings, and special events.

## WORD-OF-MOUTH MARKETING

Incentivize customers to refer friends and family for extra token rewards.

## BRAND LOYALTY

Cultivate a loyal community that actively participates in the Shiba Wing rewards program.

# STRATEGY

## LOYALTY PROGRAM

Powered by the \$WING Token and NFTs, which reward customers for interacting, referring friends, and participating in community events, they offer further rewards, discounts, and exclusive access, fostering a sense of belonging and loyalty among community members.

## COMMUNITY EVENTS

Bring the Shiba Wings community together, whether online or in physical locations, to celebrate milestones or new NFT launches.

## SOCIAL IMPACT INITIATIVES

Engaging in social impact projects and charity events, contributing a portion of profits to community causes, and supporting initiatives that align with the brand's values of community and sustainability.

## CONTRIBUTION IN R+D

Allocating resources to research and development will ensure continuous improvement of the technological platform and community engagement strategies, ensuring the brand remains at the forefront of innovation.

## STRATEGIC PARTNERSHIPS

Collaborating with tech companies, suppliers, retailers, and other businesses to expand the brand's ecosystem, leverage cross-promotional opportunities, and enhance the customer experience through technology and innovation.

## \$WING

The native token behind our revolutionary rewards program. Shiba Wing will drive customer engagement, foster loyalty, and create a thriving ecosystem, aligning with our vision for the future.

# RAISE INFORMATION

Vested tokens will be released on a linear schedule over a 90-day period.

An equal portion of the total vested tokens becoming available for release daily. The release will begin on launch day and conclude after 90 days, ensuring a smooth and gradual distribution.

**15%** to claim within **72hrs** of launch then the above vesting schedule is applied.

# ADDITIONAL CONTRIBUTOR INFORMATION

## CONTRIBUTOR BENEFITS

**Economic Incentives:** Potential for substantial returns through innovative transaction tax redistribution and growth in token utility.

**Exclusive Access and Perks:** Ownership provides access to special events, discounts, and voting rights in the Shiba Wing DAO.

**Market Influence:** contributors can shape the project's trajectory through active participation in governance and decision-making processes.

## CONTRIBUTION TO THE CRYPTO ECOSYSTEM

\$WING addresses key cryptocurrency challenges, such as enhancing user engagement, ensuring transaction security, and broadening the token's utility beyond conventional markets. It will set new standards for integrating cryptocurrencies with everyday life and consumer interactions.

## FUTURE PROSPECTS

The roadmap includes scaling the ecosystem through global expansion, enhancing the platform's features, including our own DEX, and forging new partnerships to extend the token's reach and functionality. This strategic growth ensures \$WING remains at the forefront of blockchain innovation and community engagement.

## CONCLUSION

The Shiba Wing Token is more than an opportunity; it's an entry into a burgeoning ecosystem poised to redefine how cryptocurrencies are perceived and used across various industries. With a solid foundation, robust growth strategies, and a commitment to innovation, \$WING is ideally positioned for success in the dynamic crypto market.

# SUMMARY

Shiba Wing stands at the forefront of a transformative journey.

Together, Shiba Wings, Mr Beast Burgers, and our other lucrative business partners are merging the realms of blockchain technology with unprecedented utility and community experience.

The introduction of the \$WING Token represents a significant leap forward, encapsulating the brand's innovative spirit. This bold integration is not merely a technical achievement but a redefinition of customer engagement and loyalty, setting a new benchmark for the industry.

Join us as we soar beyond the ordinary and build a legacy together, one \$WING at a time.

# HODL!
