INTRODUCTION

Shiba Wings: Revolutionizing the Restaurant and Crypto Space

Shiba Wings presents a groundbreaking model, fusing restaurant franchises' culinary delight with cryptocurrency's innovative power. We're not just building a restaurant chain but a self-sustaining ecosystem where every transaction fuels growth and value creation for all token holders. Imagine a future where every bite of a chicken wing contributes to a decentralized financial revolution. That's the power of the Shiba Wings Franchise.

LOGO OWNERSHIP

Proud owners of the **Shiba Inu** logo

Shiba Wings presents a new model, merging restaurant franchises' culinary delight with cryptocurrency's innovative power—all under the iconic Shiba Inu brand. We're not just building a restaurant chain but creating a self-sustaining ecosystem where every transaction fuels growth and value for all token holders, empowered by the beloved Shiba Inu logo.

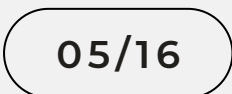

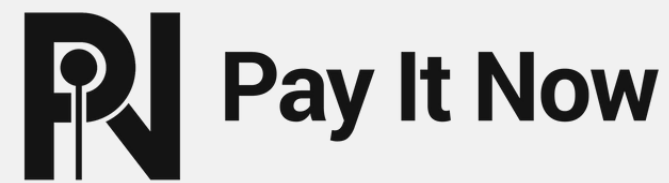

Imagine a future where every bite of a chicken wing satisfies your taste buds and strengthens a decentralized financial revolution, with the Shiba Inu symbol as a beacon of community and innovation. That's the power of the Shiba Wings Franchise—where ownership of the Shiba Inu Logo enriches both the culinary experience and the blockchain world.

First community-owned Fastfood franchise model.

OUR PARTNERS

Collaborations with key players like crypto.com, Wallstreet Bets, and PIN Pay It Now enhance brand power and market reach.

WSB - JAMIE ROGOZINSKI

Shiba Wings and WallStreetBets: A Revolutionary Partnership

Shiba Wings, an innovative restaurant and cryptocurrency project, has partnered with Jaime Rogozinski, founder of WallStreetBets, to transform the crypto space. This collaboration emphasizes community engagement, education, and trading innovation through joint campaigns and exclusive content, aiming to boost brand recognition and Shiba Wings token adoption. Additionally, Shiba Wings is pursuing global expansion via strategic franchise opportunities, creating a network for experienced operators to access its unique business model and establish a solid real estate portfolio for worldwide growth.

Shiba Wings

Aims to integrate a high-end fast-food chain with a daily percentile crypto chart buy-back mechanism, making investment accessible and engaging for all investor types. The project uniquely combines real-world utility with blockchain technology.

WallStreetBets

Founded by Jaime Rogozinski in 2012, it has grown to millions of followers, known for high-risk trading strategies and significant market impact. The community has revolutionized retail trading and cryptocurrency adoption.

Community Power

Access to millions of engaged traders and crypto enthusiasts through WSB's established network

Educational Impact

Joint webinars and content creation to educate users about crypto investment opportunities

Market Innovation

Combined expertise in creating novel trading mechanisms and real-world utility

When Superhero's Meet RWA Dining at Shiba Wings

This partnership combines storytelling and dining innovation to create immersive crypto-education experiences, utilizing NFTs for exclusive benefits and making blockchain technology more approachable.

Bad Days by Marvelous TV

An entertainment series featuring superheroes in everyday situations, using NFTs for fan engagement and exclusive content.

Shiba Wings

A restaurant chain pioneering crypto-dining integration through \$WING tokens and educational initiatives.

NFT Integration

Exclusive menu items, discounts and VIP experiences for Bad Days NFT holders.

Cross-Platform Engagement

Character-themed dining experiences with interactive elements

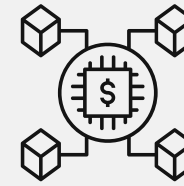

Crypto Education

Making crypto accessible through entertainment and dining

PERPETUAL GROWTH LOOP

Every sale boosts token value, driving growth for restaurant owners and holders while fueling expansion across the Shiba Wings ecosystem.

TRANSACTION

Customers enjoy delicious food at our Shiba Wings restaurants.

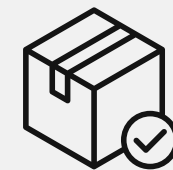

CONTRIBUTION

5% of restaurant profits per location is automatically allocated to purchasing Shiba Wings tokens.

GROWTH

Increased demand and scarcity drive up the token value, benefiting restaurant owners and token holders.

EXPANSION

The growing token value fuels further expansion of the Shiba Wings ecosystem, attracting new restaurants / Ghost Kitchens and partners.

THE MCDONALDS OF CRYPTO

Shiba Wings franchisees invest in tokens, building decentralized financial assets—mirroring how McDonald's grew through land-based franchise contributions.

MCDONALD'S STRATEGY

McDonald's built its empire by requiring franchisees to lease land, creating a massive real estate portfolio.

SHIBA WINGS STRATEGY

We leverage a similar model, but our franchisees invest in the Shiba Wings token instead of land, building a decentralized financial asset.

MUTUAL GROWTH

Both models create a symbiotic relationship between the franchise and the overarching entity, driving mutual growth and long-term value.

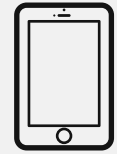

AUTOMATED CONTRIBUTION AT THE POINT OF SALE

Whether you're a \$WING holder or a crypto enthusiast, simply holding the token offers numerous opportunities to benefit.

- Company reserves the right to adjust terms as necessary

SEAMLESS INTEGRATION

5% of restaurant profits per location is automatically allocated to the token fund, streamlining the contribution process.

EFFORTLESS GROWTH

No manual intervention is required, ensuring consistent and automated token purchases.

SELF-SUSTAINING LOOP

This creates a self-sustaining financial loop where restaurants directly contribute to the growth of the token ecosystem.

TRANSPARENCY AND REAL-TIME UPDATES

Witness the growth firsthand! Our ShibaWinsBot broadcasts every token purchase on Twitter, providing real-time transparency and showcasing the power of our automated contribution system. These constant updates keep our community engaged and reinforce confidence in the Shiba Wings ecosystem.

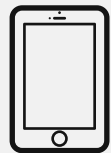

SOLVING THE KEY HURDLES

PARTNERSHIPS

Established partnerships ensure a strong foundation for growth.

POS APP

Our point-of-sale app facilitates seamless transactions and token purchases.

THRIVING STORE

Our successful pilot store demonstrates the viability of our model.

SCALING POTENTIAL

Franchising allows for rapid and widespread expansion.

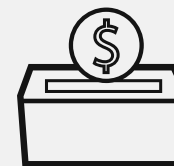

BUILDING THE FUTURE

Automate 5% allocations, trigger token purchases via the app, and broadcast transactions with ShibaWinsBot on Twitter.

AUTOMATION

Develop robust automation for separating the 5% restaurant profits per location transaction allocation.

AUTO-BUYING

Implement automated token purchases through the Shiba Wings app.

TELEGRAM BOT

Create and deploy the ShibaWinsBot to broadcast transactions on Telegram.

SECURING THE ECOSYSTEM

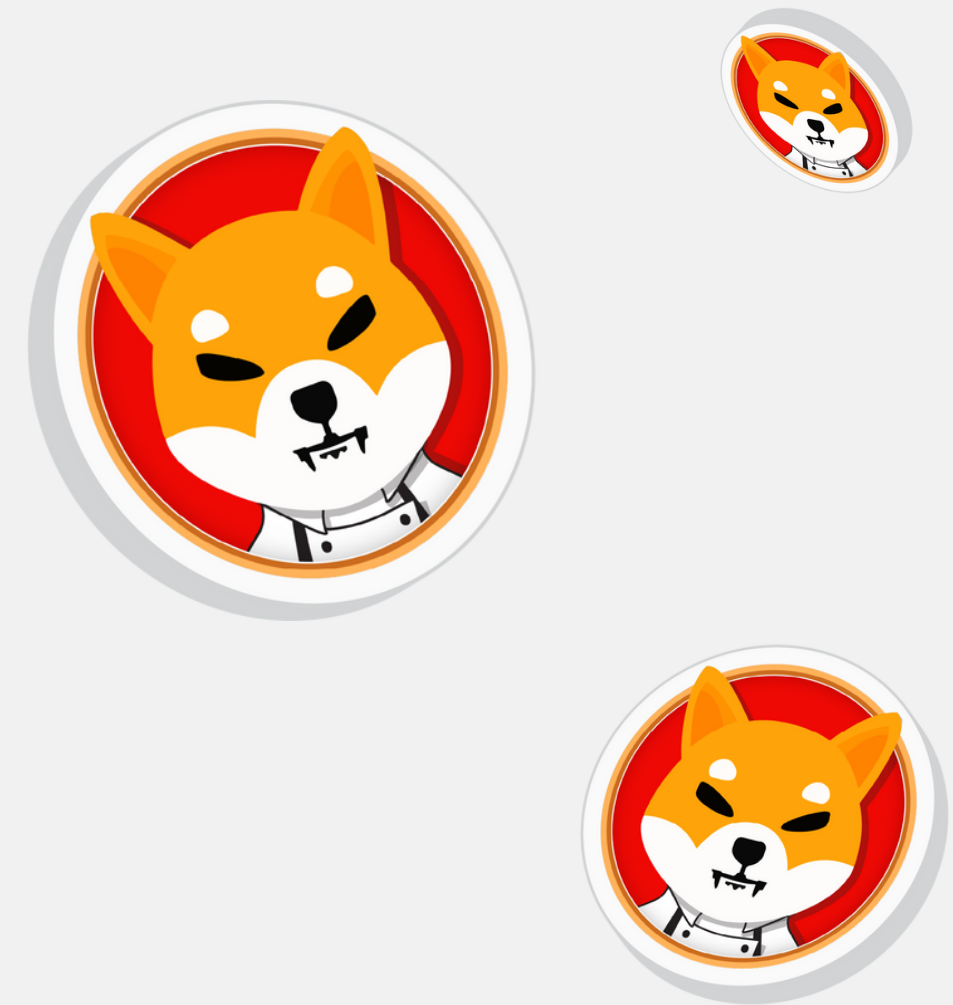

LOCKING MECHANISM

Implement a robust locking/vesting mechanism to prevent immediate selling and maintain token stability. This strategic approach fosters long-term growth and ensures investor confidence by reducing volatility and promoting sustainable value appreciation.

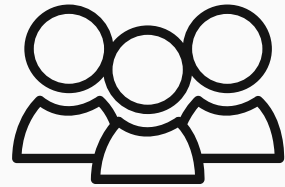

TRANSPARENCY AND TRUST

A clear and accessible website showcasing Total Value Locked (TVL), daily transactions, and growth charts builds trust and demonstrates the health and progress of the Shiba Wings ecosystem.

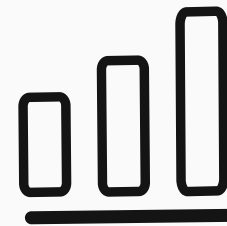

THE BIGGEST MEME, REAL WORLD ASSET, AND DEFI PLAY

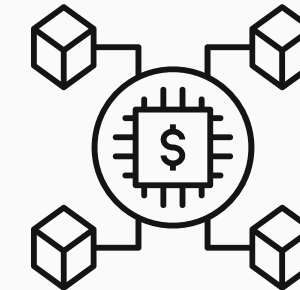

MEME POWER

Harnessing the viral power of memes, Shiba Wings captures attention and builds a strong community.

REAL-WORLD ASSET

Our growing network of restaurants, food trucks & ghost kitchens provides tangible value and fuels the token's growth.

DEFI INNOVATION

Leveraging the power of decentralized finance, Shiba Wings offers a transparent and innovative contribution opportunity.

HODL!

We sincerely appreciate your time and consideration.
